Breach of Legislation	<ul style="list-style-type: none"> ▪ Both stands are no smoking areas but smoking is allowed in a designated area on terrace ▪ “No smoking” signs displayed. ▪ Fire fighting equipment checked at pre event inspections 	No increased risk	LOW	Monitoring of crowd for anyone smoking. Checking of toilets and quiet areas for evidence of smoking. Raising of fire alarm if required and dealing with fire if safe to do so.	
Any other incident likely to effect the game being played	Full contingency plans are complete & in Control. Key staffing sheets prepared.	<ul style="list-style-type: none"> ▪ All pre match checks carried out, and logged. ▪ All staff briefed and trained. ▪ Risk assessment carried out. ▪ Only authorised personnel admitted via reception. 	Constant monitoring by all staff through the event. <i>Immediate</i> reporting of unacceptable behaviour incidents to supervisory staff.	LOW risk of sectarian/ unacceptable conduct behaviour.	Usual matchday procedures, with particular emphasis on sectarian behaviour and unacceptable conduct procedures	Police briefing based on intelligence from Fife Police.

STANDARD RISK ASSESSMENT

LOCATION; MEADOW PARK, CASTLE DOUGLAS

NAME OF ASSESSOR - R HOGG, CLUB SAFETY OFFICER

DATE OF ASSESSMENT – 01/05/2017

Safety Management Factors

8. Safety management structure & Lines of communication

The safety structure and lines of communication for football matches is as follows:

- 1. Safety Officer**
- 2. Chairman**
- 3. Stewards**
- 4. First Aiders**
- 5. Ambulance/Police personnel if called upon.**

2. Ground contingency plans & Emergency procedures

Threave Rovers F C has a contingency plan and ground safety plan in operation which has been inspected by Dumfries & Galloway Council.

3. Staff Training

First aiders and Stewards are trained to the level appropriate to their responsibility.

4. Hazards & risks posed by event, to spectators

Specific hazards posed by the event of a football match include severe weather and/or crowd disturbance.

8. Composition & behaviour of crowd

Threave Rovers F C Safety Officer, Stewards or Committee members will take appropriate action depending on the dynamics and actions of match day crowds.

8. Historical Data of injuries, treatment etc

An accident book is kept in the secretary's office/board room. There is no current history of any significant spectator injuries or administered treatment within the boundaries of Meadow Park but any such activities that are recorded will be analysed and any lessons taken on board.

8. Requirements of governing bodies

For football matches, Meadow Park must comply with the requirements to obtain a Special Safety Certificate from Dumfries & Galloway Council, Planning & Environmental Services. Meadow Park may also have to comply with SLFL requirements as appropriate.

8. Document Control
